

CITY OF PARRAMATTA'S COUNCIL PLANS on Public Exhibition

City of Parramatta's vision to be Sydney's central city, sustainable, liveable, and productive – inspired by our communities – will be achieved by placing people at the centre of our future planning.

Council has **eight draft documents** currently on public exhibition until **Monday, 8 May 2017** which will form the basis of significant work to deliver Council's vision.

We invite you to share your feedback on these policies, to ensure they accurately reflect the needs and aspirations of our community.

HAVE YOUR SAY

View these draft documents:
cityofparramatta.nsw.gov.au/on-exhibition

Attend our drop-in sessions:
Friday 21, Saturday 22
& 29 April, 10am - 2pm,
Parramatta Town Hall

Draft Socially Sustainable Parramatta Framework

The draft Framework is about creating a city for people by advancing wellbeing and resilience in our Local Government Area (LGA). It reinforces a direction for Council which puts people first, and identifies some specific ways that the benefits of growth can be shared equitably for all people. Submissions can be made via email at sociallysustainable@cityofparramatta.nsw.gov.au

Draft Parramatta Bike Plan

The draft Bike Plan outlines the future cycling network plans, education and behaviour change policies to support the liveability of our residents, workers and visitors; enhance connectivity; and provide access to a safe and alternate mode of transport to help alleviate congestion as the City grows. Submissions can be made via email at cycling@cityofparramatta.nsw.gov.au

Draft Parramatta Ways

This draft walking strategy plans to improve walkability across the City of Parramatta LGA through a network of connections to local centres, green streets and open space. Submissions can be made via email at parramattaways@cityofparramatta.nsw.gov.au

Draft Parramatta CBD Public Car Parking Strategy

As Parramatta prepares for the growth of the City, this draft strategy addresses plans to ensure economic activity in the CBD is supported, whilst alleviating congestion and excess car traffic. Submissions can be made via email at transportplanning@cityofparramatta.nsw.gov.au

Draft Parramatta CBD Pedestrian Strategy

Council plans to make the Parramatta CBD accessible and at the heart of a vibrant and healthy city by prioritising the safety and amenity of all pedestrians. The draft Strategy outlines a series of actions to guide Council

and the State Government in realising this vision. Submissions can be made via email at transportplanning@cityofparramatta.nsw.gov.au

Draft Civic Link Framework Plan

The draft Plan establishes Council's aspirations for a Civic Link – public open space and a cultural spine that connects Parramatta Square and the Transport Interchange to the river foreshore precinct. Submissions can be made via email at citytransformation@cityofparramatta.nsw.gov.au

Draft Charles Street Square Strategy

This Strategy will guide future design and development of Parramatta Quay. It highlights Council's vision to establish a public place that connects the Ferry Wharf with the CBD, providing a point of orientation, a site of arrival and departure, spaces for events, and comprehensible and equitable wayfinding. Submissions can be made via email at citytransformation@cityofparramatta.nsw.gov.au

Reconciliation Action Plan

The Plan seeks to extend our relationships with the Aboriginal and Torres Strait Islander (ATSI) communities who live, work, play or draw significance from the lands in the LGA. The Plan addresses opportunities to improve their quality of life and build trust between the ATSI communities and non-Indigenous people of the City. Submissions can be made via email at reconciliation@cityofparramatta.nsw.gov.au. [Attend a special community presentation and consultation relating to the Reconciliation Action Plan on Wednesday, 26 April at Parramatta Town Hall \(Jubilee Room\), 6pm-8pm.](#)

Copies of all documents will be available at City of Parramatta's Customer Contact Centre, Ground Floor 126 Church Street Parramatta and all branch libraries.
